

Bassett Creek Watershed Management Commission

Memorandum

To: BCWMC Technical Advisory Committee
From: Laura Jester, BCWMC Administrator
Subject: Available Channel Maintenance Funds
Date: February 26, 2026

Channel Maintenance Fund Budget

Budget Year	Total Funds Budgeted
2003	\$50,000
2004 - 2021	\$450,000 (\$25,000 / year)
2022	\$20,000
2023	\$25,000
2024	\$25,000
2025	\$25,000
2026	\$25,000
	TOTAL: \$620,000

Fund Distribution Based on Need: None of total channel maintenance funds [0% x \$620,000] will be distributed to member cities based on need.

Fund Allocation Based on Percentage of Trunk System

One hundred percent of total channel maintenance funds [100% x \$620,000] will be allocated to member cities based on their percentage of overall trunk system.

Fund Allocation Based on Percentage of Trunk System

Allocation Formula: (Percent of trunk system) x (\$620,000) = Allocation

City	% Trunk System	Accumulated Funds (over life of fund)	Approved Project	Funds Approved	Funds Reimbursed (Spent)	Unspent Funds Remaining
Minneapolis	8.23	\$51,026.00	Supplemental funds for the Bassett Creek Main Stem Restoration Project (CR2012)	\$26,747.50 (Jan 2014)	\$26,747.50 (Nov 2015)	\$24,278.50
Golden Valley	48.99	\$303,738.00	Sweeney Lake Branch Streambank Stabilization at 215 King Road	\$2,640.00 (2004)	\$2,640.00 (11/2004)	-
			A 2012 stream bank restoration project immediately upstream of St. Croix Avenue, within the Main Stem Reach 1, Subreach 2.	\$82,100.00 (Jan 2012)	\$17,900.00 (Dec 2012)	-
			Stabilization along Bassett Creek Main Stem at private residences at 4840 and 4820 Markay Ridge	\$75,000.00 (June 2014)	\$34,747.50 (Feb 2015)	-
			Repair streambank on Sweeney Lk Branch, 310 Cloverleaf Dr.	\$15,000 (April 2018)	\$11,453.70 (May 2020)	-
			Main Stem Restoration Project Regent Ave to GV Rd.	\$200,000.00 (Feb 2025)		
			Golden Valley SUBTOTAL	\$374,740.00	\$66,741.20	\$236,996.80
Plymouth	26.42	\$163,804.00	Channel Maintenance Repairs in the lower reaches of Plymouth Cr.	\$50,000.00 (Jan 2005)	\$38,823.35 (Mar 2009)	-
			Plymouth Creek Channel Stabilization/ Sediment Removal downstream of fish barrier	\$45,000.00 (Nov 2008)	\$0	-
			Sediment removal from Plymouth Cr. at the Plymouth Creek WQ Ponds	\$73,461.65 (Mar 2018)	\$73,461.65 (April 2018)	
			Plymouth Cr. Repair left out of 2010 CIP Project	\$25,099 (Oct 2022)	\$25,099 (Feb 2024)	
			Plymouth SUBTOTAL	\$193,470.65	\$137,384.00	\$26,420.00
