Summary and description of proposed project (attach additional sheets as necessary):

The 0.91-acre 7200 Harold Avenue site was inspected on July 7, 2017 for the presence and extent of wetlands. The property was located in Section 32, Township 118N, Range 21W Golden Valley, Hennepin County, Minnesota.

The site consists of one single family home on the southern portion of the site with scattered woodland on the remainder. The topography is highest on the southern portion of the site and slopes to the wetland on the northeastern portion of the site. This lot is subject to a lot split and the delineation was completed to show the extent and boundaries of wetlands on the site.

One (1) Wetland was identified and delineated within the site boundaries as part of the report. The applicant is requesting Boundary and type approval.
