Conservation Partners Program	Natural Resources/Habitat Protection	Pacific Salmon Habitat, Grassland Bird Habitat, Great Lakes, Mississippi River Basin	NRCS & NFWF	Federal	The CPP program funding will support: •Accelerated implementation of NRCS/NFWF initiatives and Farm Bill conservation programs within the Program Priority Areas and Working Lands for Wildlife Focal Areas listed below •Incorporation of best available science in applying conservation systems and strategically focusing resources where the greatest conservation opportunities exist •Increased landowner/manager awareness and participation in NRCS/NFWF initiatives and Farm Bill programs •Identifying and promoting positive economic outcomes as a result of conservation system implementation	Non-profit 501(c) organizations, farmer and commodity-led organizations, educational institutions, tribal governments, and state or local units of governments (e.g. state agricultural and/or conservation agencies, counties, townships, cities, conservation districts, utility districts, drainage districts, etc.).  Proposals will be focused in one of the eight geographic areas listed below: •Pacific Salmon •Grassland Bird Habitat •Great Lakes •Mississippi River Basin	Typical awards will range from \$50,000 to \$300,000.	August 7, 2019	<a href="https://www.nfwf.org/conservationpartners/Pages/home.aspx">https://www.nfwf.org/conservationpartners/Pages/home.aspx</a>	Eric Forward eric.forward@nfwf.org 612-567-7265
Access to the Great Lakes Fishery	Natural Resources/Habitat Protection	Great Lakes Basin States	Great Lakes Fishery Trust	Non-Federal	The goal of the Access to the Great Lakes Fishery grant program is to improve or create opportunities for shore-based access to fishing for Great Lakes species for use by tribal and/or recreational users. The GLFT funds projects that create or enhance shore-based access to fishing, which includes construction or improvement of boardwalks and fishing piers with adjacent amenities such as parking facilities and walkways. Applicants are encouraged to review the GLFT's Policy on Tribal and Recreational Fishing Access Grants prior to submitting a proposal. Additional requirements for proposals that only seek funding to support the development of engineering and design and or feasibility studies, as well as those seeking funding to support development of fish cleaning stations, are provided in the policy.	Organizations that are eligible to apply for GLFT grants include nonprofit organizations with a 501(c)(3) designation from the IRS (or nongovernmental organizations that hold charitable status in their country), as well as educational and governmental (including tribal) organizations.	This RFP process will be used for the disbursement of up to \$400,000 in grants in 2019	August 23, 2019	<a href="https://qlft.org/opportunities">https://qlft.org/opportunities</a>	jbeard@qlft.org 517-371-7468
Wellhead Protection Partner Grants (Pilot)	Groundwater	MN	BWSR	Non-Federal	Wellhead Protection Partner Grants will provide funding to local government for establishing perpetual or long-term protection of wellhead protection areas where state-held easements are not viable or desirable.	A local government entity within a delineated Wellhead Protection Area (WHPA) mapped in a Minnesota Department of Health (MDH) approved Wellhead Protection Plan	Up to \$1,000,000 is currently available. Individual grant amounts will be determined by the duration of protection and the protection mechanism provided in the grant proposal. A 10% match is required of grant recipients	August 23, 2019	<a href="http://www.bwsr.state.mn.us/grants/apply/index.html">http://www.bwsr.state.mn.us/grants/apply/index.html</a>	Tabor Hoek tabor.hoek@state.mn.us 507-537-7260
Short Term Action Request Grants (STAR)	Natural Resources/Habitat Protection	MN	MN DNR	Non-Federal	Your project must be conducted in Minnesota's coastal area, be action-oriented, and align with one of the following categories and goals: -Coastal Habitat: Protect the coastal areas' natural resources and habitats including wetlands, forests, beaches and fish -Coastal Hazards: Protect lives and property in the coastal area by minimizing risk to hazards such as storms, flooding and erosion -Water Quality: Safeguard and restore water quality in Lake Superior and area streams -Coastal Community Development: Help communities manage development or preserve the historic, cultural and aesthetic features of Lake Superior and its coast -Coordination and Public Involvement: Collect, analyze, synthesize and share information and research results that will lead to better land and water use decisions in the coastal area or engage the public in critical government decisions	Cities, townships and counties within the coastal area; area-wide agencies; regional planning agencies; state agencies; non-profit organizations; colleges and universities; public school districts in the coastal area; conservation districts; port authorities; tribal governments; joint powers boards; sanitary sewer districts.	The minimum grant is \$2,500 and the maximum is \$10,000.	RFP to be released August 2019	<a href="http://www.dnr.state.mn.us/waters/lakesuperior/grants.html">http://www.dnr.state.mn.us/waters/lakesuperior/grants.html</a>	Cynthia Poyhonen, Grants Specialist (218) 834-1447 or mlscp.dnr@state.mn.us
Brownfields Assessment, Revolving Loan Fund, and Cleanup Competitive Grants	Brownfields	All States	US EPA	Federal	These brownfields grants may be used to address sites contaminated by petroleum and hazardous substances, pollutants, or contaminants (including hazardous substances co-mingled with petroleum).  Note: There are several trainings available that provide additional guidance on how to best submit an application. See their website for more information: <a href="http://www.epa.gov/brownfields/applicat.htm">http://www.epa.gov/brownfields/applicat.htm</a>	Assessment Grant: Local units of government and government entities. Non-profit organizations are not eligible.  Cleanup Grant: Local units of government, government entities, and non-profit organizations.	Opportunities for funding are as follows: Brownfields Assessment Grants (each funded up to \$200,000 over three years; Assessment Coalitions are funded up to \$600,000 over three years) and Brownfields Cleanup Grants (each funded up to \$200,000 over three years). Please note that applicants who received an Assessment grant from EPA in Fiscal Year 2014 (FY14) are eligible to apply under this competition. If the applicant was a member of a coalition that was awarded a grant in FY14, that applicant is also eligible to apply under this assessment competition.	EPA anticipates issuing solicitations for FY 2020 cycle in fall of 2019.	<a href="https://www.epa.gov/brownfields/multipurpose-assessment-rf-and-cleanup-marc-grant-application-resources">https://www.epa.gov/brownfields/multipurpose-assessment-rf-and-cleanup-marc-grant-application-resources</a>	If you have any questions on how to apply for a grant or wish to discuss if your project is eligible, please contact Tom Stolle, EPA Region 3 Brownfields Coordinator, at 215-814-3129 or <a href="mailto:stolle.tom@epa.gov">stolle.tom@epa.gov</a> .
MLSCP Annual Grant Program	Water Quality	MN	MLSCP	Non-Federal	The project must be conducted in Minnesota's coastal area, be action-oriented, and align with one of the following categories and goals: -Coastal Habitat: protect the coastal areas' natural resources and habitats including wetlands, forests, beaches and fish -Coastal Hazards: protect lives and property in coastal area by minimizing risk to hazards such as storms, flooding and erosion -Water Quality: safeguard and restore water quality in Lake Superior and area streams -Coastal Community Development: help communities manage development or preserve the historic, cultural and aesthetic features of lake Superior and its coast -Coordination and Public Involvement: collect, analyze, synthesize and share information and research results that will lead to better land and water use decisions in the coastal area or engage the public in critical government decision.	Cities, townships and counties within the coastal area of MN; area-wide agencies; regional planning agencies; state agencies; non-profit organizations; colleges and universities; public school districts in the coastal area; conservation districts; port authorities; tribal governments; joint powers boards; sanitary sewer boards	Grant awards up to \$100,000. Up to \$450,000 in total funding available.	March 1, 2019, June 1, 2019, or September 1, 2019	<a href="http://www.dnr.state.mn.us/waters/lakesuperior/grants.html">http://www.dnr.state.mn.us/waters/lakesuperior/grants.html</a>	Cynthia Poyhonen, Grants Specialist (218) 834-1447 or mlscp.dnr@state.mn.us
Not-for Profit Acid Mine Drainage Watershed Cooperative Agreement Programs	Water Quality	All States	Office of Surface Mining	Federal	Funding is available to assist local 501(c)(3) status organizations and groups that undertake local acid mine drainage (AMD) reclamation projects to improve the water quality of streams impacted by acid mine drainage. WCAP is designed to be partnered with other funding sources to assist groups such as small watershed organizations to complete local AMD reclamation projects. The funding priorities and technical focus for this announcement are to restore streams affected by AMD to a level that will support a diverse biological community and provide recreational opportunities for the public.	Eligible applicants include nonprofits having a 501(c)(3) status with the IRS, other than institutions of higher education.	Estimated Total Program Funding: \$3,500,000 Award Ceiling: \$100,000	September 6, 2019	<a href="https://www.grants.gov/web/grants/search-grants.html?keywords=acid%20mine%20drainage">https://www.grants.gov/web/grants/search-grants.html?keywords=acid%20mine%20drainage</a>	Prouda Adams Grants Specialist 202-208-2230
Clean Water Fund Competitive Grant	Water Quality	MN	BWSR	Non-Federal	The purpose of this policy is to provide expectations for implementation activities conducted via the Board of Water and Soil Resources (BWSR) Clean Water Fund (CWF) implementation program. BWSR will use grant agreements for assurance of deliverables and compliance with appropriate statutes, rules and established policies. Willful or negligent disregard of relevant statutes, rules and policies may lead to imposition of financial penalties or future sanctions on the grant recipient. The FY 2018 Clean Water Fund Competitive Grants Request for Proposal (RFP) may identify more specific requirements or criteria when specified by statute, rule or appropriation language. BWSR's Grants Administration Manual ( <a href="http://www.bwsr.state.mn.us/grants/manual/">http://www.bwsr.state.mn.us/grants/manual/</a> ) provides the primary framework for local management of all state grants administered by BWSR.	Eligible applicants include local governments units (counties, watershed districts, watershed management organizations, soil and water conservation districts, and seven-county metro cities) or local government joint power boards working under a current State approved and locally adopted local water management plan or soil and water conservation district (SWCD) comprehensive plan. Counties in the seven-county metropolitan area are eligible if they have adopted a county groundwater plan or county comprehensive plan that has been approved by the Metropolitan Council under Minn. Stat. Chapter 473. Cities in the seven-county metropolitan area are eligible if they have a water plan that has been approved by a watershed district or a watershed management organization as provided under Minn. Stat. 103B.235. Cities, including those outside of the seven-county metropolitan area, are encouraged to work with another eligible local government if interested in receiving grant funds;	Six different grants available with total grant amount of \$36,200,000, as follows: 1) BWSR Projects and Practices (\$13,500,000, require 25% match), 2) BWSR Multipurpose Drainage Management Grant (\$700,000, require 25% match), 3) MDA AgBMP Loans (\$12,000,000, no match required), 4) MPCA Clean Water Partnership Loans (Up to \$10,000,000, no match required).	September 9, 2019	<a href="http://www.bwsr.state.mn.us/grants/apply/index.html">http://www.bwsr.state.mn.us/grants/apply/index.html</a>	Questions may be submitted by email to <a href="mailto:cwfquestions@state.mn.us">cwfquestions@state.mn.us</a> . Responses will be posted on the BWSR website as a "Frequently Asked Questions" (FAQ) document and updated weekly throughout the RFP. The final update will be posted on August 24, 2018.
Conservation Partners Legacy Grant Program - Expedited Conservation Projects	Natural Resources/Habitat Protection	MN	MN DNR	Non-Federal	Grant program to restore or enhance prairies, wetlands, forests, or habitat for fish, game, or wildlife in Minnesota. Program provides non-competitive grants from \$5,000 to \$50,000 with a 10% non-state match requirement, and project cost cap of \$75,000. Restoration and enhancement projects will only be funded on lands in public ownership or waters designated as public waters. All project sites must be open to the public for all seasons of hunting and fishing.	Eligible applicants are limited to local, regional, state, and national non-profit organizations, including government entities. Private individuals and for-profit organizations are not eligible to apply for these grants. Continuous grant cycle - grant awards made every other month until all funds are awarded (up to 5 rounds). Projects must be on public lands or waters.	Non-competitive grants from \$5,000-\$50,000 with a 10% non-state match requirement and a total project cost cap of \$75,000. Great Lakes Restoration Initiative	Environmental & Education	Great Lakes Basin States	U.S. Forest Service	Federal	The Great Lakes Restoration Initiative targets the most significant environmental problems in the Great Lakes ecosystem by funding and implementing federal projects that address these problems. One objective is to protect, restore and enhance habitats to help sustain healthy populations of native species. Using appropriations from the Great Lakes Restoration Initiative, the U.S. Fish and Wildlife Service (Service), Partners for Fish and Wildlife (PFW) Program anticipates funding wetland (both coastal and interior) and associated upland habitat restoration and enhancement projects for conservation of native Great Lakes fish and wildlife populations, particularly migratory birds and, as appropriate, federally-listed species. Restoration projects will be completed on privately owned (non-federal/non-state) lands and must be within the Great Lakes watershed. Emphasis will be placed on, but not limited to, completing projects within the watersheds of Great Lakes Areas of Concern and in coastal zones.	County governments Public housing authorities/Indian housing authorities Nonprofits having a 501(c)(3) status with the IRS, other than institutions of higher education City or township governments Individuals Independent school districts Native American tribal organizations (other than Federally recognized tribal governments) Small businesses Public and State controlled institutions of higher education Private institutions of higher education For profit organizations other than small businesses State governments Special district governments Native American tribal governments (Federally recognized)	Total funding available is \$550,000. Maximum award is \$100,000 depending on program area. Source Water Protection: Plan Implementation Grant Program	Groundwater	MN	MN Dept of Health	Non-Federal	Program is designed to support implementation of Source Water Protection Plans. In Minnesota, source water protection is divided into wellhead protection that focuses on 1) groundwater that is used for public water supply and 2) intake protection that focuses on surface water that is used for public water supply.	Only public water suppliers may apply for a source water protection plan implementation grant but may use funding to support the work of other parties relating to the source water protection plan.	The total amount of funding that is available under this notice is \$175,000. No cost share is required for receiving a grant. The minimum amount available is \$1,000. The maximum amount available is \$10,000. All of the funds that are awarded must be expended within the state fiscal biennium.	March 29, 2019 September 30, 2019	<a href="https://www.health.state.mn.us/communities/environment/water/swp/implementation.html">https://www.health.state.mn.us/communities/environment/water/swp/implementation.html</a>	Drinking Water Protection Program Email:Health.DrinkingWater@state.mn.us (651-201-4700)
Partners for Fish and Wildlife Program	Natural Resources/Habitat Protection	All States	USFWS	Federal	The Partners for Fish and Wildlife (PFW) Program is a voluntary, incentive-based program that provides direct technical assistance and financial assistance in the form of cooperative agreements to private landowners to restore and conserve fish and wildlife habitat for the benefit of federal trust resources. The PFW Program is delivered through more than 250 full-time staff, active in all 50 States and territories. Partners for Fish and Wildlife Program staff coordinate with project partners, stakeholders and other Service programs to identify geographic focus areas and develop habitat conservation priorities within these focus areas. Geographic focus areas are where the PFW Program directs resources to conserve habitat for federal trust species. Project work plans are developed strategically, in coordination with partners, and with substantial involvement from Service field staff. Projects must advance our mission, promote biological diversity, and be based upon sound scientific biological principles. Program strategic plans inform the types of projects funded under this opportunity. Applicants seeking funding under this program should review the program strategic plan and also contact the regional PFW Program office prior to submitting an application for funding.	Projects must be implemented on private lands, including tribal lands or waters owned by non-Federal or non-State entities.	Funding is generally limited to \$25,000 or less (higher amounts may be requested, but may not be awarded without appropriate justification and approval). No cost sharing or matching required. Water Efficiency Grant Program	Water/Wastewater	MN	Metropolitan Council	Non-Federal	The goal of the water efficiency grant program is to support technical and behavioral changes that improve municipal water use efficiency in the seven-county metropolitan area.	The grant program is limited to municipalities in the seven-county metropolitan area.	\$375,000 the first year and \$375,000 the second year will be available. The Council will provide 75% of the program cost; the municipality must provide the remaining 25%. Grants will be made available in amounts with a minimum of \$2,000 and a maximum of \$50,000.	September 30, 2019	<a href="https://metroccouncil.org/Wastewater-Water/Funding-Finance/Available-Funding-Grants.aspx">https://metroccouncil.org/Wastewater-Water/Funding-Finance/Available-Funding-Grants.aspx</a>	Brian Davis brian.davis@metc.state.mn.us
Green Partners (Commercial Sector Recycling)	Environmental & Education	MN	Hennepin County	Non-Federal	The commercial sector generates more than half of the total waste in Hennepin County, and nearly two-thirds of the waste created at businesses and non-profits is recyclable. Having a strong recycling program conserves natural resources and reduces greenhouse gas emissions, can help your bottom line, and demonstrates your organization's commitment to sustainability and the community.	For-profit and non-profit businesses, organizations and institutions, including multifamily housing.  Must be used to improve your organization's recycling program at facilities located in Hennepin County.	Container only grants: Receive up to \$2,500 for recycling containers only, Accelerated grants: Receive up to \$10,000, primarily for recycling containers, Competitive grants: Receive up to \$50,000 for large or innovative projects over \$10,000	Container and Accelerated grants: Anytime, Competitive grants: February 15, June 15, October 15	<a href="http://www.hennepin.us/businessrecycling">http://www.hennepin.us/businessrecycling</a>	Email Andre.X.Xiong@hennepin.us or call 612-543-1316.
North American Wetland Conservation Act Standard and Small Grants Program	Natural Resources/Habitat Protection	All States	U.S. Fish and Wildlife Service (USFWS)	Federal	The Act was passed, in part, to support activities under the North American Waterfowl Management Plan, an international agreement that provides a strategy for the long-term protection of wetlands and associated uplands habitats needed by waterfowl and other migratory birds in North America. In December 2002, Congress reauthorized the Act and expanded its scope to include the conservation of all habitats and birds associated with wetlands ecosystems.	The North American Wetlands Conservation Act (Act, or NAWCA) of 1989 provides matching grants to organizations and individuals who have developed partnerships to carry out wetlands conservation projects in the United States, Canada, and Mexico for the benefit of wetlands-associated migratory birds and other wildlife.	\$40 million (annually) for 24 North American Wetlands Conservation Act (NAWCA) proposals for U.S Standard Grants. Requires minimum 1:1 match	Standard Cycle 1: February 22, 2019 Standard Cycle 2: July 3, 2019 Small: October 17, 2019	<a href="http://www.fws.gov/birds/grants/north-american-wetland-conservation-act.php">http://www.fws.gov/birds/grants/north-american-wetland-conservation-act.php</a>	<a href="mailto:contact.DivisionofBirdHabitatConservation.(703)358-1784_dbhc@fws.gov">contact: Division of Bird Habitat Conservation, (703) 358-1784, dbhc@fws.gov.</a>
Source Water Protection: Competitive Grant Program	Groundwater	MN	MN Dept of Health	Non-Federal	Program to support source water protection for community and nontransient noncommunity public water suppliers. Source water protection activities that are funded under this grant program must focus on managing or eliminating one or more potential sources of contamination that the Minnesota Department of Health has determined presents a risk to the public water supplier.	A public water supplier must meet the following conditions in order to qualify for a grant: 1) Be a community or a non-transient non-community public water supplier, and 2) the public water supplier is not currently subject to administrative penalty action by the MN Dept of Health for violation of state or federal public water supply regulations. Although only qualifying public water suppliers may apply for a source water protection competitive grant, they may use this funding to support the work of other parties.	The total amount of funding that is available under this notice is \$75,000. An equal cost share for each work item is required for receiving a grant. Minimum grant amount of \$500. Maximum grant amount is \$10,000.	April and October of each year	<a href="https://www.health.state.mn.us/communities/environment/water/swp/grants.html">https://www.health.state.mn.us/communities/environment/water/swp/grants.html</a>	Drinking Water Protection Program Email:Health.DrinkingWater@state.mn.us (651-201-4700)
Rural Energy for America Program - Renewable Energy and Energy Efficiency - Loans	Environmental & Education	All States	USDA	Federal	USDA is offering loan guarantees for up to 75 percent of total project costs for renewable energy systems and energy efficiency improvements. Eligible renewable energy projects must incorporate commercially available technology. This includes renewable energy from wind, solar, ocean, small hydropower, hydrogen, geothermal and renewable biomass (including anaerobic digesters). Energy efficiency improvement projects eligible for REAP funding include lighting, heating, cooling, ventilation, fans, automated controls and insulation upgrades that reduce energy consumption.	Agricultural producers with at least 50% of gross income coming from agricultural operations, and small businesses in eligible rural areas.	The maximum loan amount is \$25 million, up to 75% of total project cost.	Less than \$20,000: October 31 or April 1 Unrestricted Loan: April 1	<a href="http://www.rd.usda.gov/programs-services/rural-energy-america-program-renewable-energy-systems-energy-efficiency">http://www.rd.usda.gov/programs-services/rural-energy-america-program-renewable-energy-systems-energy-efficiency</a>	Ron Omann, USDA Rural Development 375 Jackson St., Suite 410 St. Paul, MN 55101 (651)-602-7796 Ron.Omann@mn.usda.gov http://www.rd.usda.gov/mn

Outdoor Recreation	Recreation	MN	MN DNR	Non-Federal	Program to increase and enhance outdoor recreation facilities. Eligible projects include park acquisition and/or development/redevelopment including, internal park trails, picnic shelters, playgrounds, athletic facilities, boat accesses, fishing piers, swimming beaches and campgrounds.	Cities, counties, townships and recognized tribal governments. Project proposals must include at least one of the eligible primary outdoor recreation facilities in the Program Manual and have a total project cost of at least \$10,000.	Approximately \$785,000 in funding is available. Grants are reimbursed based up to 50 percent of the total eligible costs. The maximum grant award is \$250,000.	Next application cycle will be posted in November 2019	<a href="http://www.dnr.state.mn.us/grants/recreation/outdoor_rec.html">http://www.dnr.state.mn.us/grants/recreation/outdoor_rec.html</a>	Audrey Mularie, Southern Minnesota, North Metro audrey.mularie@state.mn.us or (651) 259-5549  Joe Hiller, Northern Minnesota, South Metro joe.hiller@state.mn.us or (651) 259-5538
Contamination Cleanup Grant	Brownfields	MN	MN Department of Employment and Economic Development	Non-Federal	This program, administered by DEED, is designed to help communities pay for assessing and remediating contaminated sites for private or public redevelopment. Essential to this grant is the existence of a redevelopment plan supported by the community and an appropriate completion timeline.  Funded activities include: Site investigation and cleanup costs necessary to implement the RAP, RAP implementation.	Eligible applicants include cities, counties, port authorities, housing and redevelopment authorities and economic development authorities. Both publicly and privately owned sites with known soil or groundwater contamination qualify. Cleanup grant applicants must have an MPCA-approved RAP.	Approximately \$4 million is available. Grants can pay for up to 75% of the costs of investigation, cleanup, and other costs necessary to implement the RAP. Awards require a 25% local match. 35% of funds are dedicated to projects outside the seven-county metropolitan area. Applications accepted May 1 and November 1 of each year	May 1 and November 1 of each year	<a href="http://mn.gov/deed/government/financial-assistance/cleanup/contamination.jsp">http://mn.gov/deed/government/financial-assistance/cleanup/contamination.jsp</a>	Kristin Lukes Director, Office of Brownfields and Redevelopment 651-259-7451 or 800-657-3858
Contamination Investigation and RAP Development Grant	Brownfields	MN	MN Department of Employment and Economic Development	Non-Federal	Administered by DEED, this program is designed to assist communities in contamination investigation and RAP development. Similar to the Contamination Cleanup Grant, the applicant must be able to demonstrate the existence of a community supported redevelopment plan with an appropriate completion timeline.  Funded activities include: site investigation (Phase I and Phase II), RAP development	Eligible applicants include cities, counties, port authorities, housing and redevelopment authorities and economic development authorities are eligible applicants. Both publicly and privately owned sites with known or suspected soil or groundwater contamination qualify.	Grants can pay for up to 75% of the costs of Phase I, Phase II investigation and/or RAP preparation. Awards cannot exceed \$50,000, and require a 25% local match. A maximum of \$500,000 per year is available for grants, 35% of funds are dedicated to projects outside the seven-county metropolitan area.	May 1 and November 1 of each year	<a href="http://mn.gov/deed/government/financial-assistance/cleanup/contamination.jsp">http://mn.gov/deed/government/financial-assistance/cleanup/contamination.jsp</a>	Kristin Lukes Director, Office of Brownfields and Redevelopment 651-259-7451 or 800-657-3858
Environmental Response Fund	Brownfields	MN	Hennepin County	Non-Federal	Environmental Response Fund (ERF) grants fund the assessment and cleanup of contaminated sites where conditions present a threat to human health or the environment, but where lack of funding and added environmental costs hinder site improvements or redevelopment. ERF grants are used for a variety of activities that provide community benefit, including assessment and cleanup of groundwater and evaluation and abatement of asbestos and lead-based paint. Priority is placed on locations that are intended as public or green spaces, establish affordable and moderately priced housing, and promote economic development.	Eligible applicants for ERF include municipalities, economic development agencies, housing and redevelopment authorities, non-profit organizations, public companies, and private for-profit companies located within Hennepin County. ERF grants are not available to non-local government responsible parties. ERF grants are available for the investigation or cleanup of non-petroleum contamination or petroleum-related contamination that is not eligible for reimbursement by the Minnesota Petrofund.	Approximately \$1-1.2 Million is available each funding round.	November 1, 2019	<a href="http://www.hennepin.us/business/property/environmental-response-fund">http://www.hennepin.us/business/property/environmental-response-fund</a>	mary.finch@hennepin.us Phone: 612-596-1595
Tax Base Revitalization Account	Brownfields	MN	Metropolitan Council	Non-Federal	The Metropolitan Council's Tax Base Revitalization Account (TBRA) is one of the three incentive accounts created by the 1995 Livable Communities Act adopted by the Minnesota Legislature. The TBRA provides grants to investigate or clean up contaminated property for subsequent residential, commercial, or industrial development.  Funded activities include: Phase I and Phase II environmental site assessments, RAP development, Demolition and site preparation (only if necessary to access contamination), Soil or ground water remediation, Soil vapor mitigation, Asbestos abatement work, Lead paint removal or stabilization	Cities, counties, and local development authorities located in the 7-county metro area and participating in the Metropolitan Livable Communities Housing Incentives Program are eligible to apply for funds. Applications involving public-private partnerships are most competitive. Cleanup grant applicants must have an MPCA-approved RAP, but investigation grants can fund RAP development.	Up to 100% of grant-eligible investigation and cleanup costs. Funding for individual projects varies considerably, but average award over the last three years was about \$254K. Up to \$5M available annually	May 1 and November 1	<a href="https://metrocouncil.org/Communities/Services/Livable-Communities-Grants/Tax-Base-Revitalization-Account-(TBRA).aspx">https://metrocouncil.org/Communities/Services/Livable-Communities-Grants/Tax-Base-Revitalization-Account-(TBRA).aspx</a>	Marcus Martin Phone: (651) 602-1054 Email: marcus.martin@metc.state.mn.us
Stewardship Fund Grants: Water Quality Action Grants	Water Quality	MN	MWMO	Non-Federal	Available to complete a project, significant in scope and cost.	Eligible applicants for MWMO Stewardship Fund Grants include: -nonprofit organizations, officially recognized neighborhood groups, business and professional associations, schools; and local units of government. Stewardship Fund grants may not be used to fund projects installed only to meet regulatory requirements; however, stewardship funds may be used to fund portions of the project that create water quality innovations that exceed regulatory requirements. Physical projects must be located within MWMO boundaries or drain to receiving water bodies within the watershed.	The grant amount may not exceed \$50,000. Some matching funds are required.	November 8, 2019	<a href="https://www.mwmo.org/grants/stewardship-fund-grants/">https://www.mwmo.org/grants/stewardship-fund-grants/</a>	Marcy Bean Capital Projects and Stewardship Specialist 612-746-4979
Conservation Corps Minnesota Clean Water Fund: Crew Labor	Water Quality	MN	BWSR	Non-Federal	Funds are available for Conservation Corps crew labor only for the purpose of protecting, enhancing and restoring water quality in lakes, rivers and streams and to protect groundwater and drinking water sources from degradation. Project proposals should demonstrate measurable outputs to achieve water quality objectives through the implementation of BMPs. Projects that focus on retaining water on the land through native plantings versus habitat restoration are preferred.	Counties, Cities, SWCDs, Watershed Districts and Watershed Management Organizations	\$500,000 available. No minimum match requirement.	December 15, 2019	<a href="http://conservationcorps.org/clean-water-funding">http://conservationcorps.org/clean-water-funding</a>	Brian Miller at (651) 209-9900 ext. 19 brian.miller@conservationcorps.org
Rural Energy for America Program - Renewable Energy and Energy Efficiency - Grants	Environmental & Education	All States	USDA	Federal	USDA is offering grants for up to 25 percent of total project costs for renewable energy systems and energy efficiency improvements. Eligible renewable energy projects must incorporate commercially available technology. This includes renewable energy from wind, solar, ocean, small hydropower, hydrogen, geothermal and renewable biomass (including anaerobic digesters). Energy efficiency improvement projects eligible for REAP funding include lighting, heating, cooling, ventilation, fans, automated controls and insulation upgrades that reduce energy consumption.	Agricultural producers with at least 50% of gross income coming from agricultural operations, and small businesses in eligible rural areas.	The maximum grant amount for renewable energy projects is \$500,000. The maximum grant amount for energy efficiency projects is \$250,000. Grants for up to 25% of total project cost.	Less than \$20,000: April 1 Unrestricted Grant: April 1 Energy Audit/Renewable Energy Development Grants: January 31	<a href="http://www.rd.usda.gov/programs-services/rural-energy-america-program-renewable-energy-systems-energy-efficiency">http://www.rd.usda.gov/programs-services/rural-energy-america-program-renewable-energy-systems-energy-efficiency</a>	Ron Omann, USDA Rural Development 375 Jackson St., Suite 410 St. Paul, MN 55101 (651)-602-7796 Ron.Omann@mn.usda.gov http://www.rd.usda.gov/mn
Clean Water State Revolving Fund - Wastewater & Stormwater	Water Quality	MN	MN Public Facilities Authority (MPFA)	Non-Federal	The Clean Water State Revolving Fund, is established under the Federal Clean Water Act and state law to make loans for point source (wastewater and stormwater) and nonpoint source water pollution control projects. The Public Facilities Authority (PFA) prepares an annual Intended Use Plan (IUP) based on a Project Priority List (PPL) developed by the MPCA. The IUP describes the projects and activities eligible for funding during the state fiscal year.	Proposals are being accepted to place wastewater or stormwater collection and treatment system projects on the Clean Water Revolving Fund (CWRF) Project Priority List (PPL). Projects must be on the PPL to be eligible to apply for below market rate CWRF loans and other Clean Water Legacy grants and loans from the Minnesota Public Facilities Authority (PFA). PFA financing is for investments in municipal infrastructure which result in improvements in water quality. Funding is not available for privately owned infrastructure.	Below market-rate, low-interest loans, principal-forgiveness or grants to local governments.	Wastewater Facilities Plans or Stormwater Project Plans are due to the MPCA March 6, 2020. Request for Placement on PPL due to the MPCA March 6, 2020. Request for Placement on the IUP due to the MPCA June 5, 2020.	<a href="http://www.pca.state.mn.us/ppl">www.pca.state.mn.us/ppl</a>	Bill Dunn, Clean Water Revolving Fund Coordinator Minnesota Pollution Control Agency 520 Lafayette Road North Saint Paul, MN 55155-4194 651-757-2324 or bill.dunn@state.mn.us
Point Source Implementation Grant Program	Water Quality	MN	Minnesota Public Facilities Authority (PFA) & MPCA (State funds)	Non-Federal	The Point Source Implementation grant program provides grants to units of local government to assist with the cost of water infrastructure projects necessary to: •Meet wasteload reductions prescribed under a total maximum daily load (TMDL) plan required by Section 303(d) of the Federal Clean Water Act •Reduce the discharge of total phosphorus to one milligram per liter or less •Meet any other water quality-based effluent limit established under section Minnesota Statute Section 115.03, subd 1, (e)(8), that is incorporated into a permit issued by MPCA that exceeds secondary treatment limits •Meet a total nitrogen concentration or mass limit that requires discharging ten milligrams per liter or less at a permitted design flow	The PSIG program provides grants for 80% of eligible costs up to a maximum of \$7,000,000. Projects must be listed on the MPCA's Project Priority List (PPL).  A project must receive MPCA certification and submit as-bid project costs to receive a PSIG grant.	\$5,307,000 million has been appropriated for this program for FY 2018	PPL Application Request: March 6, 2020 IUP Application Request: June 5, 2020	<a href="https://www.pca.state.mn.us/water/wastewater-and-stormwater-financial-assistance">https://www.pca.state.mn.us/water/wastewater-and-stormwater-financial-assistance</a>	Bill Dunn, Clean Water Revolving Fund Coordinator Minnesota Pollution Control Agency 520 Lafayette Road North Saint Paul, MN 55155-4194 651-757-2324 or bill.dunn@state.mn.us
Environmental Initiative Program	Natural Resources/Habitat Protection	CO, HI, MN, TX, WY	Laura Jane Musser Fund	Non-Federal	The Fund's goal is to promote public use of open space that improves a community's quality of life and public health, while also ensuring the protection of healthy, viable and sustainable ecosystems by protecting or restoring habitat for a diversity of plant and animal species.	Who can apply: Nonprofit 501(c)(3) organizations, local units of government within the following states: CO, HI, MN, TX, WY. Water Quality Improvement Grant Program	Water Quality	MN	Nine Mile Creek Watershed District	Non-Federal	Many types of projects are eligible for grant money. A few examples include: raingardens, shoreline restoration, permeable pavers, buckthorn removal with native restoration, and more!	In order to be eligible for grant funds, projects must support one or more of the following goals: -Improve water quality or increase the capacity of the watershed to store water -Preserve, protect, and restore native plant and wildlife habitats with emphasis on projects adjacent to or near lakes, rivers, and wetlands -Protect and preserve groundwater quality and quantity  Grant funds are available to residents, associations, nonprofits, schools, businesses, and cities for projects located within District boundaries	Grants will be awarded for up to 75% of a project's cost, on a reimbursement basis, for materials, labor, engineering, and consulting fees. The minimum grant award is \$500. Maximum grant award: -\$5,000 for residential projects -\$20,000 for townhome, condominium, or lake associations -\$50,000 for commercial, government, or nonprofit projects	March 20, 2020	<a href="https://www.ninemilecreek.org/get-involved/grants/">https://www.ninemilecreek.org/get-involved/grants/</a>	Erica Sniegowski Program & Project Manager esniegowski@ninemilecreek.org 952-358-2276
Regional Solicitation	Transportation	MN	Metropolitan Council	Federal	The Metropolitan Council is accepting applications for federal transportation monies to help fund local projects. The funding is key to helping local governments and others piece together financing for projects that benefit their communities and the region. Applicants compete for funding from one of three modal categories: Roadways, Transit, and Bike and Pedestrian.	Eligible metro-area applicants include the seven counties, cities and townships, state agencies, colleges and universities, school districts, American Indian tribal governments, transit providers, nonprofit organizations and park districts.	Funding details will be provided in February 2020	April 1, 2020	<a href="https://metro council.org/Transportation/Planning-2/Transportation-Funding/Regional-Solicitation.aspx">https://metro council.org/Transportation/Planning-2/Transportation-Funding/Regional-Solicitation.aspx</a>	Elaine Koutsoukos elaine.koutsoukos@metc.state.mn.us 651-602-1717
Flood Hazard Mitigation Grants	Water Quantity	MN	MN DNR	Non-Federal	Program to provide technical and financial assistance to local governmental units for conducting flood damage reduction studies and for planning and implementing flood damage reduction measures.	Cities, counties, townships, watershed districts, watershed management organizations and lake improvement districts.	A maximum of 50% of total eligible project costs up to \$150,000. Grant requests for more than \$150,000 must be approved by the Legislature.	Recommended that the completed application form be submitted to your DNR Division of Waters Area Hydrologist by June 1 of the year in which you wish to apply.	<a href="http://www.dnr.state.mn.us/grants/water/flood_hazard.html">http://www.dnr.state.mn.us/grants/water/flood_hazard.html</a>	Pat Lynch, Flood Damage Reduction Program Manager DNR Division of Waters (651) 259-5691 E-Mail: pat.lynch@dnr.state.mn.us
Forest Stewardship Program	Natural Resources/Habitat Protection	MN	MN DNR	Non-Federal	Cost share program to provide technical advice and long range planning to interested land owners. Forest stewardship plans are the outcome of the program- plans are designed to meet landowner goals while maintaining the sustainability of the land.	Financial assistance to woodland owners for completing projects to practice good forest stewardship on their land. A typical project is between 3 and 20 acres but could be smaller or larger depending on land goals.	Over \$500,000 is available through June 30, 2019, or until funds run out.	June 30, 2020	<a href="https://www.dnr.state.mn.us/woodlands/cost-share.html">https://www.dnr.state.mn.us/woodlands/cost-share.html</a>	Private Forest Program Coordinator DNR Forestry 500 Lafayette Road, Box 44 St. Paul, MN 55155 (651) 259-5261
Carver County Cost-Share Program	Water Quality	MN	Carver County	Non-Federal	Carver County Water Management Organization funds a cost share program to promote citizens to use innovative Best Management Practices (BMPs) to protect and restore the quality of water within the county. The goal of the program is to increase the awareness of water quality issues affecting the county and at the same time have citizens take an active role in the protection and/or restoration of the environment. In cooperation with both County Staff and Private Citizens, this program will continue the strong tradition of protecting the natural resources of this great county.	This program is available to anyone that is a citizen of Carver County, municipalities, and private businesses located within the Carver County Water Resource Management Area. Some areas of the County are located outside the CCWMO boundaries are on instead in Riley Purgatory Bluff Creek Watershed District or Lower MN River Watershed District.	The program will cover 75% of eligible costs up to a maximum reimbursement of \$5000. This is a competitive grant program, with the possibility of grant requests not obtaining funding. If the annual funding for a fiscal year is depleted, project applications for the year will be held over to the following year. These projects will be prioritized by the date in which the application was turned in.	Applications accepted all year.	<a href="https://www.co.carver.mn.us/departments/public-services/planning-water-management/water-management/education-outreach/cost-share-program">https://www.co.carver.mn.us/departments/public-services/planning-water-management/water-management/education-outreach/cost-share-program</a>	Tim Sundry Carver County Water Management Organization tsundry@co.carver.mn.us 952-361-1816  Seth Ristow Carver County Soil & Water Conservation District sristow@co.carver.mn.us 952-466-5264
Reimagining Great Lakes Water Systems	Water Quality	MN	Great Lakes Protection Fund	Non-Federal	The GLPF is looking for new ideas, new projects and new cohorts of people to catalyze a transition to a new era of water systems. Water systems are the built infrastructure, the natural landscapes, and the operating rules that govern how water moves, what moves in water and what moves on water. Improved water systems will better solve a range of problems that vex our current systems, including: reducing nutrient-driven harmful algae blooms, better handling of large rainstorms, being adaptable to changing economic and demographic conditions, and providing better value for the money GLPF will invest in them.	Eligible applicants include: non-profit organizations, universities, governmental agencies, individuals, for-profit businesses within the Great Lakes watershed area.	The average level of Fund support is \$460,000, but past awards have ranged from \$20,000 to \$1.6 million	Accept Proposals Year Round	<a href="http://gijpf.org/get-funding/projects-wanted/">http://gijpf.org/get-funding/projects-wanted/</a>	David Rankin, Program Director 847-425-8150
Natural Resources Grants - Opportunity Grant	Water Quality	MN	Hennepin County	Non-Federal	Primarily to help partners take advantage of opportunities to implement larger projects that improve water quality or preserve, establish or restore natural areas. Ideal for larger scale projects seeking to leverage multiple funding sources from more than one partner. Ideal for projects documented as priorities in the applicant's management plans (e.g. comprehensive plan, watershed management plan). Eligible expenses include environmental or engineering consulting fees, materials, supplies, labor and inspection fees.	The following entities in Hennepin County: individual landowners, non-profit and non-governmental organizations, local government agencies, businesses	Up to \$100,000 per project. Typical projects range from \$25,000-\$50,000. No match is required.	Applications accepted all year. Funds are limited and awarded on a first-come, first-serve basis. A pre-application meeting to discuss project details is highly recommended.	<a href="http://www.hennepin.us/residents/environment/natural-resources-funding">http://www.hennepin.us/residents/environment/natural-resources-funding</a>	Jim Kujawa: james.kujawa@hennepin.us 612-348-7338
Brownfield Gap Financing Program	Brownfields	MN	Hennepin County	Non-Federal	Managed by Minnesota Brownfields and funded through Hennepin County's Environmental Response Fund (ERF), the Brownfield Gap Financing Program provides small grants to nonprofit developers to close gaps in project costs for environmental assessment and cleanup of property in Hennepin County.  Funded activities include: Identification and, in some cases, remediation of unexpected environmental issues (such as unanticipated Phase I and II investigations or small-scale cleanup), Preparation for a larger funding request from the County's ERF	Eligible applicants for this program must be registered as a non-profit within the State of Minnesota, a community group, a government supported organization, or a government entity located within Hennepin County. Applicants must own the property, have a purchase or lease agreement in place, or have a letter of intent to purchase by the applicant from the property owner.	Typical Brownfield Gap Financing Program grants are less than \$10,000, but may be up to \$15,000.	Applications accepted year round	<a href="http://mnbrownfields.org/our-work/brownfield-gap-financing/">http://mnbrownfields.org/our-work/brownfield-gap-financing/</a>	Hava Blair, Minnesota Brownfields, Program Coordinator PO Box 16244 St. Paul, MN 55116 612-513-4301 hblair@mnbrownfields.org
Regional Sustainable Development Partnerships	Natural Resources/Habitat Protection	MN	University of MN Extension	Non-Federal	The Regional Sustainable Development Partnerships (RSDP) connect greater Minnesota communities to the University of Minnesota in order to help solve problems and take advantage of new opportunities. As a part of University of Minnesota Extension, RSDP brings together local talent and resources with University of Minnesota knowledge and seed funding to drive sustainability in four areas: agriculture and food systems, tourism and resilient communities, natural resources, and clean energy.	Any individual or organization.	No funding guidelines given.	Applications accepted year round.	<a href="http://www.extension.umn.edu/rsdp/">http://www.extension.umn.edu/rsdp/</a>	Kathryn Draeger Statewide Director, Regional Sustainable Development Partnerships draeg001@umn.edu 612-625-3148 (Regional Executive Director information on website)
Conservation Initiative Funding Program	Water Quality	MN	Dakota County Soil & Water Conservation District	Non-Federal	The Dakota SWCD offers funding and/or technical assistance for projects that demonstrate innovative stormwater management, low impact development and/or conservation design principles.	Dakota County land owners, developers, and local units of government	\$25,000 maximum cost share to reimburse applicant for up to 65% estimated project cost	Applications are accepted all year	<a href="http://www.dakotacountyswcd.org/cif.html">http://www.dakotacountyswcd.org/cif.html</a>	Contact Dakota County SWCD (651) 480-7777
Citizen Conservation Stewards	Water Quality	MN	Dakota County Soil & Water Conservation District	Non-Federal	Program supports smaller conservation practices on individual properties by providing technical and cost share assistance.	Dakota County property owners	Up to \$5,000 available to fund each project, up to 65% of total cost.	Applications are accepted all year.	<a href="http://www.dakotacountyswcd.org/ccs.html">http://www.dakotacountyswcd.org/ccs.html</a>	Contact Dakota County SWCD (651) 480-7777
Metro Conservation Corridor Partnership Habitat Restoration Program	Natural Resources/Habitat Protection	MN	MN DNR	Non-Federal	Great River Greening is seeking partners to implement habitat restoration on protected lands and waters, with priority given to projects that 1) protect and restore water quality (projects must include monitoring), 2) protect, restore, and enhance land and habitat, and 3) reduce the spread of invasive species along streams, rivers, and land transportation routes.	Partners can be counties, watershed districts, cities, non-profits and others within the 12-county metropolitan area. Projects must be within a mapped Metro Conservation Corridor	1:1 match is suggested. \$13,800,000 approved by LCCMR	Applications are accepted all year.	<a href="http://www.dnr.state.mn.us/metroconservationcorridors/index.html">http://www.dnr.state.mn.us/metroconservationcorridors/index.html</a>	For more information, please contact: Nick Bancks, 651-917-6282 Minnesota Land Trust, nickbancks@minnesotalandtrust.org Bart Richardson, 651-259-5796 MnDNR, bart.richardson@state.mn.us
Capitol Region Watershed District (CRWD) Stewardship Grants	Water Quality	MN	Capitol Region Watershed District (CRWD)	Non-Federal	Stewardship Grants help businesses or homeowners build projects on their property that prevent stormwater pollution. Public and private landowners are eligible for technical and financial assistance to install water quality improvement best management practices (BMPs). Specifically, the program funds BMPs that reduce stormwater runoff, prevent erosion and filter pollutants. Typical BMP projects include but are not limited to: 1) rain gardens, 2) shoreline restoration, 3) water reuse systems, 4) permeable hardscapes (pavers, asphalt etc.). Stewardship Grant awards are allocated based on the water quality benefits provided by each Stormwater Best Management Practice (BMPs). Projects that capture runoff from streets (curb cut rain gardens), parking lots, or other larger impervious surfaces receive higher awards due to their higher water quality benefits.	Property owners within Capitol Region Watershed District (CRWD) are eligible for grants.	Total available grant amount is unknown. High impact projects may receive up to 95% grant in addition to free design services.	Applications are accepted all year.	<a href="http://www.capitolregionwd.org/our-work/grants/stewardship-grants/">http://www.capitolregionwd.org/our-work/grants/stewardship-grants/</a>	For questions or to submit an application, please contact Andrew at (651) 644-8888 or andrew@capitolregionwd.org

Capitol Region Watershed District (CRWD) Water Quality Planning Grants	Water Quality	MN	Capitol Region Watershed District (CRWD)	Non-Federal	Capitol Region Watershed District (CRWD) Water Quality Capital Improvement Grants provide financial assistance for feasibility and design of projects that protect and improve the water quality of waterbodies within CRWD. Typical projects funded through this program include feasibility studies and engineering services to identify, prioritize, and design capital improvement projects that include benefits to natural resources. The goals of this grant are to: -Identify innovative, cost-effective solutions for protecting and improving water quality of CRWD lakes, streams, and wetlands and the Mississippi River -Develop designs including preliminary and final plans, for water quality improvement projects -Improve our understanding of best practices to protect and improve local water resources -Build capacity for partners to accelerate on-the-ground projects that protect and improve water quality	Government agencies, public and private schools, non-profit, faith-based or religious organizations, businesses or other private property owners who are located within CRWD	The professional design is anticipated to exceed \$40,000. Projects must include identification of public educational opportunities. Projects required to meet regulations are not eligible. Typical annual funding available: \$100,000 Average grant award: \$20,000	Applications are accepted all year.	<a href="http://www.capitolregionwd.org/our-work/grants/special-grants/">http://www.capitolregionwd.org/our-work/grants/special-grants/</a>	Nate Zqonitzer (651) 644-8888
Clean Water Partnership Loan Program	Water Quality	MN	MPCA	Non-Federal	The MPCA is accepting applications for water resource projects to be funded through the CWP Loan Program (approximately \$11 mill available). Application will be accepted from local governmental units (LGUs) interested in leading a project for protection or improvement of groundwater or surface water bodies from nonpoint sources. Applicants awarded loan funds may begin project work after the loan agreement is executed and project workplan is approved. No reimbursable costs may be incurred prior to execution of the loan agreement.	Only LGUs that meet the following criteria are eligible to apply for loans. • LGU has the ability to pledge its full faith and credit to ensure repayment of a project implementation loan • LGU has the authority to generate cash revenues for the repayment of a loan • LGU has the authority to enter into a loan agreement with the MPCA LGUs that meet these requirements include counties, cities, townships, tribes, watershed districts, and watershed management organizations. Joint powers organizations composed of previously mentioned entities are also eligible, but must submit a resolution from at least one LGU that meets the eligible criteria stating that they will participate in the project as a loan sponsor. Local soil and water conservation districts and other LGUs that are not eligible to serve as a loan sponsor may partner as a project sponsor with another government entity, such as a county or watershed district, which will serve as the loan sponsor.	About \$15 million in loans will be available. The maximum loan award is \$2 million.  No matching funds are required.	Applications are accepted all year.	<a href="https://www.pca.state.mn.us/water/financial-assistance-nonpoint-source-water-pollution-projects-clean-water-partnership-and">https://www.pca.state.mn.us/water/financial-assistance-nonpoint-source-water-pollution-projects-clean-water-partnership-and</a>	Cindy Penny: cynthia.penny@state.mn.us or 651-757-2099
2019 National Fish Habitat Action Plan	Natural Resources/ Habitat Protection	All States	USFWS	Federal	The National Fish Habitat Action Plan is a national investment strategy to leverage federal and privately raised funds to protect, restore, and enhance the nation's fish and aquatic habitats through partnerships that foster fish habitat conservation. Funds appropriated to the U.S. Fish and Wildlife Service's (Service) Fish and Aquatic Conservation (FAC) Program specifically to implement the Action Plan will be utilized in collaboration with the National Fish Habitat Board and Fish Habitat Partnerships. Fish Habitat Partnerships are the primary work units of the Action Plan, formed around distinct geographic areas, "keystone" fish species, or system types (e.g. large lakes, impoundments, estuaries). Funds will support national and regional science and coordination activities to protect, restore, or enhance fish habitats. All or a portion or project funds may be transferred to partner organizations if the Service lacks the capability to implement a project. Projects must protect, restore, or enhance fish and aquatic habitats or otherwise directly support habitat-related priorities of Fish Habitat Partnerships or the National Fish Habitat Board. Every project must be identified in the Fisheries Operational Needs System (FONS), a database that identifies the operational needs of FAC field stations, including fish habitat project needs. FAC field offices will work with Fish Habitat Partnerships to identify fish habitat projects, and enter them into the FONS. Entities that seek to propose a fish habitat conservation project for consideration should contact a local or regional office of the Service FAC Program.	Eligible applicants include federal, state, or local government agencies; Native American governments; interstate, intrastate, public, and private nonprofit institutions and organizations; or any other organization subject to the jurisdiction of the United States with interests that support the mission of the Service on a cost recoverable basis and the goals of the Action Plan.	70 grants are expected to be awarded from \$5,000-\$300,000 in FY 2017 (total program funding \$3.2 million). No cost sharing or match required.	Applications are accepted on a rolling basis	<a href="https://www.grants.gov/web/grants/search-grants.html?keywords=national%20fish%20habitat%20action%20plan">https://www.grants.gov/web/grants/search-grants.html?keywords=national%20fish%20habitat%20action%20plan</a>	Cecilia M. Lewis, National Coordinator National Fish Habitat Partnership Fish and Aquatic Conservation Program 703-358-2102 cecilia_lewis@fws.gov
Environmental Quality Incentives Program	Water Quality	All States	USDA NRCS	Federal	The Environmental Quality Incentives Program (EQIP) is a voluntary conservation program that helps agricultural producers in a manner that promotes agricultural production and environmental quality as compatible goals. Through EQIP, agricultural producers receive financial and technical assistance to implement structural and management conservation practices that optimize environmental benefits on working agricultural land.	Agricultural producers and owners of non-industrial private forestland and Tribes are eligible to apply for EQIP. Eligible land includes cropland, rangeland, pastureland, non-industrial private forestland and other farm or ranch lands.	Submitted applications may be considered or evaluated in multiple funding pool opportunities.	EQIP applications are accepted on a continuous basis, however, NRCS establishes application "cut-off" or submission deadline dates for evaluation	<a href="https://www.nrcs.usda.gov/wps/portal/nrcs/main/national/programs/financial/eqip/">https://www.nrcs.usda.gov/wps/portal/nrcs/main/national/programs/financial/eqip/</a>	Brenda Tonn, Program Specialist Phone: 651-602-7883 Email: brenda.tonn@mn.usda.gov
Special Opportunity Grant Program	Water Quality	All States	Freshwater Future	Non-Federal	The Special Opportunity Grants Program (Emergency Grants) is for the aquatic habitat protection efforts that may not coincide with the application timeline or grant period for the Projects Grants Program. Freshwater Future realizes that many grassroots projects can be completed for under \$500 USD, therefore we maintain a reserve to support urgent projects or those that present a special, time-limited opportunity. Although the eligibility, overarching goal, priority program areas, and evaluation criteria are the same as the regular grants programs, Special Opportunity Grant (SOG) requests are processed differently to ensure quick turnaround.	Must be a registered non-profit organization or charity or have a sponsoring non-profit organization or charity.	Typically \$500 or less	No deadline	<a href="http://freshwaterfuture.org/grants/special-opportunity-grant-program/">http://freshwaterfuture.org/grants/special-opportunity-grant-program/</a>	Melanie Napoleon Welch melanie@freshwaterfuture.org
Economic Development Assistance Program	Public Works	All States	Economic Development Administration	Federal	Economic Development Assistance programs (EDAP) Notice of Funding Opportunity (NOFO), EDA will make construction, non-construction, and revolving loan fund investments under the Public Works and Economic Adjustment Assistance (EAA) Programs. Through this NOFO, EDA will also designate a portion of its EAA funding to support communities and regions that have been negatively impacted by changes in the coal economy (Assistance to Coal Communities, or ACC 2018). Grants made under these programs will leverage regional assets to support the implementation of regional economic development strategies designed to create jobs, leverage private capital, encourage economic development, and strengthen America's ability to compete in the global marketplace. Through the EDAP NOFO, EDA solicits applications from rural and urban communities to develop initiatives that advance new ideas and creative approaches to address rapidly evolving economic conditions.	City or township governments, County governments, Native American tribal organizations (other than Federally recognized tribal governments), Native American tribal governments (Federally recognized), Private institutions of higher education, Nonprofits that do not have a 501(c)(3) status with the IRS, other than institutions of higher education, State governments, Nonprofits having a 501(c)(3) status with the IRS, other than institutions of higher education, Others (see text field entitled "Additional Information on Eligibility" for clarification), Special district governments, Public and State controlled institutions of higher education	Awards range from \$100,000 to \$3,000,000	Applications are accepted on a rolling basis	<a href="https://www.grants.gov/web/grants/view-opportunity.html?oppld=306735">https://www.grants.gov/web/grants/view-opportunity.html?oppld=306735</a>	<a href="http://www.eda.gov/contact/">http://www.eda.gov/contact/</a>
Water & Waste Disposal Loan and Grant Program	Water/Wastewater	All States	USDA	Federal	This program provides funding for clean and reliable drinking water systems, sanitary sewage disposal, sanitary solid waste disposal, and storm water drainage to households and businesses in eligible rural areas. The project funds may be used to finance the acquisition, construction, or improvement of drinking water sourcing, treatment, storage and distribution, sewer collection, transmission, treatment, and disposal, solid waste collection, disposal and closure, stormwater collection, transmission, and disposal.	This program assists qualified applicants who are not otherwise able to obtain commercial credit on reasonable terms. Eligible applicants include: -Most state and local governmental entities -Private nonprofits -Federally-recognized tribes	Long-term, low-interest loans If funds are available, a grant may be combined with a loan if necessary to keep user costs reasonable.	Applications are accepted on a rolling basis	<a href="https://www.rd.usda.gov/programs-services/water-waste-disposal-loan-grant-program">https://www.rd.usda.gov/programs-services/water-waste-disposal-loan-grant-program</a>	Contact Local RD State Offices: <a href="https://www.rd.usda.gov/contact-us/state-offices">https://www.rd.usda.gov/contact-us/state-offices</a>

RPBCWD Grants	Water Quality	MN	Riley-Purgatory-Bluff Creek Watershed District	Non-Federal	Grants are available for projects that: improve watershed resources, foster water resources stewardship, increase awareness of the vulnerability of watershed resources, increase familiarity with and acceptance of solutions to improve waters. Project examples: raingardens, pervious asphalt and pavers, shoreland and streambank restoration, volume reduction and runoff treatment practices, wetland restoration.  Grant Programs: -Watershed Stewardship Grants -Action Grants -Educator Grants	Residential property owners, non-profit organizations, commercial property owners, and governments are eligible. Must be located in the Riley-Purgatory-Bluff Creek Watershed District.	Maximum Stewardship Grant Awards: Residential: \$5,000 (up to 75% of project cost) Non-profits: \$20,000 (up to 75% of project cost) Commercial and government: \$50,000 (up to 50% of project cost) Action Grant: Up to \$250 Educator Grant: \$50 to \$250	All year	<a href="http://www.rpbcd.org/grants">http://www.rpbcd.org/grants</a>	Michelle Jordan 18681 Lake Drive East Chanhassen, MN 55418 mjordan@rpbcd.org
Great Lakes Protection Fund- A Call for People, Ideas, and Projects	Natural Resources/ Habitat Protection	Great Lakes Basin States	Great Lakes Protection Fund	Non-Federal	The Great Lakes Protection Fund seeks to support a suite of action-oriented projects to design, deploy, and evaluate new prototype solutions to important challenges facing our ecosystem: -Increasingly large rain events, -Under-investment in water infrastructure -Nutrient pollution and harmful algae blooms, -Threats posed by potential and existing invasive species, and -Adapting to the demographic and economic changes in our region These challenges are at the root of impairments to water quality, altered flow regimes and detrimental shifts in the ecology of the basin. The Fund believes that advances in real-time management of water, in integrating natural and built water management systems, in designing pay-for-performance financing, and in machine learning and autonomous control can be combined to create new solutions to these big challenges.	The Great Lakes Protection Fund can support a wide variety of applicants. Non-profit organizations (including environmental organizations, trade associations, and universities), governmental agencies, individuals, and for-profit businesses are eligible for Fund support. Successful applicants must maintain open access to certain project data, records and information. All applicants must show that the proposed work has clear public benefit and that any related financial benefits will accrue to the public good within the Great Lakes Basin. Government agencies must show that Fund support is not being used to replace or duplicate funds. The Fund will not support advocacy campaigns, litigation or compliance obligations.	Budget requests should reflect the full amount of funds necessary to complete the proposed work. Past awards have ranged from \$20,000 to \$1.5 million. Matching funds are not necessary. The fund will support overhead costs at a maximum of 15% of project costs.	All year	<a href="http://glpf.org/get-funding/projects-wanted/">http://glpf.org/get-funding/projects-wanted/</a>	Simon Belisle Project Development Manager 847-425-8193 startaconversation@glpf.org
Capitol Region Watershed District (CRWD) Water Quality Capital Improvement Grants	Water Quality	MN	Capitol Region Watershed District (CRWD)	Non-Federal	Capitol Region Watershed District (CRWD) Water Quality Capital Improvement Grants provide financial assistance for final engineering and construction of cost-effective and/or innovative projects that protect and improve the water quality of waterbodies within CRWD. Successful applicants have a minimum of a completed water quality feasibility study and are typically planning on construction within a year of applying. Applicant matching funds are not required but are encouraged. The goals of this grant are to: -Support on-the-ground projects that improve water quality by decreasing stormwater runoff and pollutants and/or preserve, protect, and/or restore plant and wildlife communities adjacent to lakes, rivers, and wetlands -Establish links between people and water resources through education -Provide demonstration of innovative and effective management practices -Foster stewardship of CRWD water resources from residents, businesses, schools, community groups and others who live, work or serve within CRWD	Government agencies, public and private schools, non-profit, faith-based or religious organizations, businesses or other private property owners who are located within CRWD	The construction and construction management expenses must exceed \$40,000. No match is required, but it is encouraged. Typical annual funding available: \$300,000 to \$500,000 Average grant award: \$100,000	No current deadline, applications accepted while funding is available	<a href="http://www.capitolregionwd.org/our-work/grants/special-grants/">http://www.capitolregionwd.org/our-work/grants/special-grants/</a>	Nate Zqonitzer Nate@capitolregionwd.org (651) 644-8888
Driftless Area Restoration Effort	Natural Resources/ Habitat Protection	All States	Great Plains Fish Habitat Partnership/ U.S. Fish and Wildlife Service (USEFWS)	Federal	Program to restore and conserve habitats that benefit brook trout, smallmouth bass, and/or nongame fish and reptile species. All proposed projects should be developed in coordination with the La Crosse Fish and Wildlife Conservation Office of the U.S. Fish and Wildlife Service. Funds can be used for on-the-ground habitat conservation and improvement projects, related design and associated biological monitoring activities.	Contact organization for more information on eligibility.	Proposals should range between \$15,000 to \$40,000. 1:1 match required.	Contact	<a href="http://www.darestitution.com/">http://www.darestitution.com/</a>	Application packet can be obtained by contacting: <a href="mailto:Louise_Mauldin@fws.gov">Louise_Mauldin@fws.gov</a>
State Cost Share Program	Water Quality	MN	Minnesota Soil & Water Conservation Districts	Non-Federal	Program assists landowners financially with the installation of soil and water conservation practices.	Contact SWCD within the Twin Cities metro area.	Cost share ranges from 50% to 75% based on water quality impacts.
