Summary and description of proposed project (attach additional sheets as necessary):

On behalf of the Minneapolis Park and Recreation Board, Barr Engineering Company (Barr) is submitting a No-Loss Exemption application in preparation of the Theodore Wirth golf course Luce Line Trail project.

Currently the trail is impacted by surrounding water and is frequently inundated. The plan is to fix the failed inverted syphon as shown in the attached plans, so that the water level returns to its original elevation and no longer impacts the trail.

Barr staff delineated two wetland areas near the trail on August 9th, 2019 and the boundaries and types are summarized in this report.

BARR and the Minneapolis Park Board are seeking a No-Loss Exemption under provisions 8420.0410, and 8420.0415 seeing as this project pertains to the emergency repair of existing utilities.
