# MAWD 2020 SUMMER TOUR

## SAVE THE DATE: JUNE 24-26

### JUNE 24: LAKE MINNETONKA CRUISE

Enjoy a sunset cruise on one of the region's most popular water bodies, featuring a keynote address on the Minnehaha Creek Watershed District's *Balanced Urban Ecology* philosophy.

### JUNE 25: WATERSHED TOUR

The Minnehaha Creek watershed exemplifies the intricate relationship between urban, suburban and rural landscapes and their influence on natural systems. This tour will explore a variety of high-impact projects that improve water resources while achieving partner goals.

### JUNE 26: WORKSHOP

A multi-track workshop to enhance skills relevant to your work.
